SUPER BARGAINS ON HALF DIMES

Cleaning out old deals... most of these half dimes have problems, but still cool little silvers to add to your collection. Most of the coins are one-of-a-kind, but I do have multiples of a lot of the more common dates/type. So... order early for best choices/bargains. BUT do not ask me if I still have the item - I will not look up these cheapies! I will only do orders in the order they come in. As the saying goes - first come, first served. If you are looking for any varieties - do not waste my time. Have fun and help me clean out my boxes! Absolutely no discounts or coupons on this special.

Abbreviations: OBV - obverse; REV - reverse; POR - porous; SCR - scratch/scratches; CL - cleaned; CH - CHOICE!
